exclusive wedding photography
by andy currie

Photographing your wedding takes skill. Creating imagery of what unfolds on your special day is an art. I can read people, the atmosphere and even see things that are about to happen and capture it!

This is what I do.

With over 30 years experience of creating beautiful wedding photography globally you can be sure I will personally create ever lasting memories of your special day to enjoy and relive forever.

Andy will work closely with you to ensure the photography runs smoothly on the day. His Top Tips List with recommendations on how to manage your day from hair and make up to logistics is invaluable when planning your wedding. Andy is not only a photographer but a personality who all your guests will enjoy. His creativity and ability in catching the right moment and emotion through his lens is ever extraordinary. Our mission is to give you a box full of wonderful memories that will let you re-live your special day over and over.

We create your memories -
Our albums tell your story....

how we work

Wedding photography is one of the most important investments of your wedding and one you can look back on in the future to recall those special memories. Our wedding packages are easy to understand and have been tailored to suit any budget. There are no hidden costs or surprises and you get complete ownership and control of your images of the day at no extra cost!
